

Preferred Premium Warranty and Maintenance Contracts

At Preferred Telephone Systems, we believe in offering the highest standards of quality to our customers. The Maintenance Contracts we offer reflect our commitment by providing tangible money-saving benefits.

Lightning damage causes the highest costs of power surge damage to Louisiana customers – and our maintenance contracts cover it, FREE of CHARGE.

We also offer:

- All parts and labor to keep your Toshiba telephone system and voice mail system (plus peripherals like paging speakers and batteries) in excellent working order.
- Annual consultation to review your telecommunication needs, including need for growth, to help you plan for the future
- Free review of your dial tone, internet, and long distance costs with money-saving suggestions
- Free user guides and training sheets
- Professional labels printed for every customer
- 24-hour service response time
- Free replacement or longer handset cords and basecords
- All voice mail security code, name and notification changes are no charge
- Batteries on Battery Backup Systems replaced at no charge
- Free software upgrades
- Our highly trained staff will work with you to coordinate service calls with your dial tone provider as needed.
